Dr. Bates, an economist, is Publisher and Editor of *Monetary and Economic Review*, a quarterly economic and financial publication that analyzes the economy and financial markets from a geopolitical perspective. He is also Publisher and Editor of *Unravelling The New World Order*, a monthly exposé of

how government, financial and religious insiders are deciding your future. These publications have subscribers in all 50 states and twenty-three foreign countries. Bates is a former bank CEO and taught money and banking for the Bank Administration Institute and the state college system in Tennessee. He is a former member of the Tennessee House of Representatives where he chaired the Committee on Banking and Commerce. He is an internationally recognized speaker on Political systems, the Federal Reserve and how they affect the economy and your assets. Bates is Chief Economist for FAMC Economic and Political Consulting Group. Dr. Bates is also CEO of the Information Radio Network/IRN USA Radio News and is the author of the best selling book "The New Economic Disorder."

SOME OF THE THINGS YOU WILL LEARN AT THIS BRIEFING ARE:

- Where America falls in Bible prophecy and why the USA and its middle class are a target of world elites
- The accelerated plans for a "New World Order" including a new North American union that eliminates the USA
- The plans for a new currency for North America
- Why a major economic downturn or collapse must occur to accomplish the elitists' goals
- How threats of terrorism will affect markets and your assets
- How to "Stormproof" your assets
- The projected timeline and how to prepare yourself mentally, physically, and spiritually and even prosper in these uncertain times
- How to plan to exit your job in Corporate America
- How to avoid the stranglehold of Big Oil and Big Banks
- The truth about Islam
- The Mortgage Crisis and what to do about your Real Estate
- How an Obama or McCain Presidency will affect your finances & freedoms
- Specific Actions you can take to protect your family
